

Subject: VerdeSip Launch Campaign: Ready for Your Approval

Dear [Partner Name],

VerdeSip is ready to launch, and the full campaign pack is attached for your review.

What's inside

Four launch-ready creatives, each with a platform-specific caption and hashtags:

1. Launch Announcement: Instagram and Facebook
2. Lifestyle & On-the-Go: built around the student and young-professional audience
3. Feature & Brand Story: LinkedIn narrative
4. Launch Alert: full version plus short copy for Twitter/X, Threads and WhatsApp Status

Why it works

- One consistent story across every platform: “Stay Hydrated, Stay You” and “Small Change, Big Impact”
- Every product strength is covered: 100% leakproof, 24h cold / 12h hot, eco-friendly stainless steel and four colours
- Every post ends with a clear action: use code VERDE15 and order at VerdeSip.com

One decision needed from you

The creatives promote 15% OFF with code VERDE15, while the proposal lists a launch price of Rs. 2,199/- (original Rs. 2,999/-). Please confirm which offer we should run, so every post carries the same message.

Next step

If you can share your approval or feedback by [Date], we will finalise the files and schedule the posts in time for launch.

Thank you, and I look forward to your thoughts.

Best regards,
